Description

The playground set made from the highest quality ROBINIA wood, which combines a natural ecological appearance with exceptional durability. The set includes several posts that serve as platforms at different heights, which can be part of agility or balancing play. Additionally, decorative leaves and an owl placed on one of the taller posts create a friendly, forest-like atmosphere. The natural appearance of ROBINIA wood, known for its resistance to changing weather conditions, fits perfectly in any park or playground, providing a safe and aesthetic outdoor play area.

Playground device consists of

- 8 tall posts
- 8 mushrooms covered with flexible caps
- Decorative elements with forest motifs (leaves and an owl)
